K10 KITCHEN

Safe for food preparation areas

**Australian
Made & Owned**

R.F.S

R.F.S. is formulated as the final rinse free sanitiser as part of the cleaning program in kitchens, canteens and food preparation areas. It can be used on any hard surfaces. This product is completely biodegradable.

FEATURES & BENEFITS

- Broad spectrum biocidal activity against both gram positive and gram negative organisms.
- Rinse free formulation

DIRECTIONS FOR USE

Thoroughly clean all surfaces with a suitable detergent solution and rinse with fresh water before sanitising with RFS. Spray RFS on to the clean surface. Allow a minimum of 15 minutes for the sanitiser to thoroughly sanitise the surface. Wait for surface to air dry or alternatively wipe dry with a clean cloth.

SUITABILITY OF CHEMICAL FOR FOOD PREPARATION AREAS

When used as directed R.F.S is suitable for use in kitchens and food preparation areas.
