RapidClean Autocut Large Hand Towel 200m is a market leader in both performance and innovation. Portion control single sheet dispensing, will reduce paper use and costs by over 30% and eliminate cross contamination (as the paper you touch is the paper you use). Providing high quality high performance hand towel, less sheets are used, fewer roll changes and less Labor is required, the only product to save you cost on a sheet for use basis. This product is ideal for all high traffic areas.
