## K12 KITCHEN

Safe for food preparation areas

Australian Made & Owned

### YAAMA MANUAL DISHWASHING LIQUID

Harnessing the natural freshness of Lemon Myrtle, RapidClean Yaama heavy-duty dishwashing liquid cuts through grease and grime with ease. Perfect for both domestic and commercial kitchens, it delivers sparkling, streak-free results every time.

### APPLICATION

RapidClean Yaama Manual Dishwashing Liquid has a wide variety of uses including hand dishwashing operations in all institutional areas such as hospitals, food service, clubs and restaurants. The highly active biodegradable synthetic wetting agents ensure that the toughest soils and grease are removed quickly and effectively to leave crockery and cutlery sparkling clean.

### FEATURES

- Highly concentrated with neutral pH.
- Free rinsing and contains a lemon myrtle fragrance.
- Penetrates soil quickly.
- Contains organic sequestrants.
- Phosphate free formulation and is fully biodegradable.
- Ensures economy in use and safe to use on all surfaces.
- Leaves crockery and cutlery spot free.
- Eliminates lingering cooking odours.
- Rapidly emulsifies food soils and grime.
- Gives optimum performance in either soft or hard water.

### DIRECTIONS FOR USE

**Manual Washing:** Dilute 1:200 with warm water (5ml per litre).

**Heavy Soiling:** Increase to 1:100 (10ml per litre) for optimal grease removal.

**Soaking:** Dilute 1:150 with hot water and soak items before rinsing.

Add 5-20ml of dishwashing liquid into a sink with warm water depending on soiling. Remove soiling from items. Always rinse all items with potable water after washing, before air drying.

### SUITABILITY OF CHEMICAL FOR FOOD PREPARATION AREAS

When used as directed Sudzee is suitable for use in kitchens and food preparation areas.
