Kiwi Pine

Disinfectant Cleaner

Kiwi Pine is a commercial grade disinfectant with built in detergents. It's formulated to clean all washable hard surfaces & to disinfect, providing excellent protection against germs & bacteria. Kiwi Pine will deodorise the room leaving a pleasant Pine Fragrance.

Direction for use:

- 1: For general cleaning, dilute Kiwi Pine 1:50 with water. For cleaning and disinfecting dilute Kiwi Pine 1:20 with water.
- 2: For Spray and Wipe cleaning, fill trigger spray with diluted solution to surface using a clean cloth. For bucket cleaning fill bucket with diluted solution. Apply to surface, use cloth for small area, mop floors.
- 3: RINSE cloth or mop when soiled. Use undiluted as a deodoriser or in exceptionally unsanitary conditions. Either wipe or spray onto surfaces, leave for a few moments, then wipe clean.

MPI APPROVED C32 (All animal product except dairy) Dishes and equipment may be washed immediately or left to soak to improve results. May be rinsed prior to air or clean-towel drying. In food processing premises, after using this compound, food contact surfaces must be thoroughly rinsed with potable water before production starts.

WARNING: Cleaning Products Subsidiary

HSNO Approval Number HSR002530

6.3B Substance that is mildly irritating to the skin

6.4A Substance that is irritating to the eyes

9.1D Substance that is slightly harmful to the aquatic environment or is otherwise designed for biocidal action

Precautionary Measures: Read label before use. Keep out of reach of children. Wear protective gloves, protective clothing and eye protection/face protection. Wash hands thoroughly after handling. Avoid release to the environment.

First Aid: **Inhalation** - If inhaled, remove affected person from contaminated area. Apply artificial respiration if not breathing. Seek medical attention. **Ingestion** - Do not induce vomiting. Wash out mouth thoroughly with water. Seek immediate medical attention. **Skin** - Remove all contaminated clothing immediately. Wash gently and thoroughly with water and non-abrasive soap for 15 minutes. Ensure contaminated clothing is washed before re-use or discard. Seek immediate medical attention. **Eye** - If in eyes, hold eyelids apart and flush the eyes continuously with running water. Remove contact lenses. Continue flushing until advised to stop by the Poisons Information Centre or a doctor, or for at least 15 minutes. Seek immediate medical attention. For advice in an emergency, contact a Poisons Information Centre or a doctor at once. (0800 764 766). Call a POISON CENTRE or doctor if you feel unwell. Have this label or Safety Data Sheet on hand.
