Wonder

Laundry Stain Soaker & Sanitiser

Wonder is a white free flowing oxygenated bleaching powder used for the cleaning and whitening of nappies, whites and coloured clothing. It may also be used for the removal of tannin and food stains from crockery items.

Application:

WONDER has been specifically formulated for cleaning of children's nappies. WONDER is a particularly effective bleaching agent and is suitable for use on a wide range of white and coloured fabrics.

Direction for use:

Nappies / Whites / Coloureds

Add 50g of wonder to 10 litres of warm water and allow items to soak in solution overnight. Follow with normal laundry wash the next morning. Note that it is important to pre-test coloured fabrics to ensure they are colourfast.

Crockery / Plastic / Kitchenware

To remove tannin or food stains from cups, cutting boards etc, prepare a solution of 50gms to 5Lt of warm water and soak for two hours.

Features & Benefits

- Bleaches thoroughly and evenly
- Non chlorinated bleaching powder
- Free rinsing
- Highly economical in use
- Suitable for use on whites, coloured, work and mixed loads

Health & Safety Information

See separate Safety Data Sheet available on request.
