

ReadyDose™ Pot & Pan Sink Detergent Tablet and Quat Tabs

Unit Dose Pot & Pan Sink Detergent Tablet

Tear open a detergent packet and drop tablet into wash sink (Sink 1). Use 1 tablet per 38L of water.

Fill the sink with warm water (38-49°C)

Place dirty wares and pre-scraped pots and pans into the solution and begin cleaning.

Rinse cleaned items in rinse sink (Sink 2).
