

# ENHANCED EFFICACY AND SKIN-FRIENDLY FORMULATION

Approved Dosage: 1.1ml • Meets EN 1500

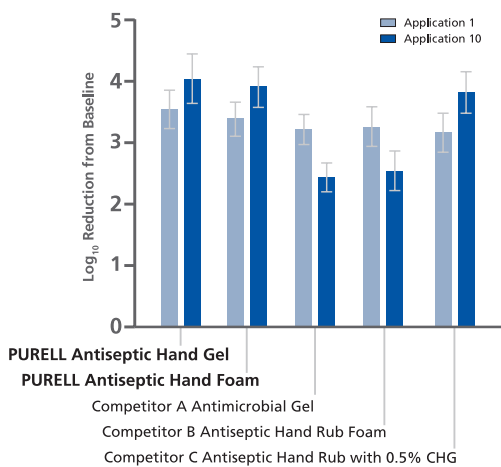

**PROVEN EFFICACY WITH JUST 1 PUMP\***

## PURELL® Antiseptic Hand Gel

**PURELL Antiseptic Hand Gel outperforms other hand sanitisers milliliter for milliliter.<sup>1</sup>**

PURELL Antiseptic Hand Gel is a scientific breakthrough based on strengthening the power of alcohol so it can penetrate the cell membrane more effectively, maximising its destructive power against bacteria. At the same time, this formulation enhances the skin with multiple skin conditioning agents, Vitamin E and contents to help retain the water in the skin and make it fast absorbing. PURELL Antiseptic Hand Gel has greater bacteria killing power and is more effective with repeated use.<sup>2</sup>

Efficacy Test Results for PURELL Antiseptic Hand Gel and PURELL Antiseptic Hand Foam vs. Competitive Products Commonly used in Australian Hospitals<sup>3</sup>

**8 out of 10 Australian nurses prefer PURELL Antiseptic Hand Rubs against the products they currently use in hospitals<sup>5</sup>**

## PROVEN, EFFECTIVE, PREFERRED

**PURELL Antiseptic Hand Gel is...**

- A hand rub and a waterless surgical scrub (Aust R 212955)
- Contains 72% v/v absolute ethanol
- Proven to kill 99.99% of germs on hands, not just in the lab
- Clinically proven to maintain skin health<sup>3</sup> and feels great to use
- Biodegradable formula<sup>4</sup>
- Meets Australian regulations, AORN, CDC and WHO recommendations
- Provides a sustain effect for up to 3 hours

\* Not applicable to 60ml pump bottles

## GOJO Innovation

GOJO continues to bring you the best in innovation with this product line enhancement. PURELL Antiseptic Hand Gel is a breakthrough in next-generation skin care.
