

ABS Surface Descaler

Our natural Surface Descaler works around the clock to eliminate limescale and odours, even in hard-to-reach areas.

What makes it different?

Our innovative packaging features soluble sachets that dissolve upon contact with water, avoiding shipping liquid and minimising your environmental impact.

Benefits:

-  Fresh citrus fragrance
-  Not tested on animals
-  Non-toxic to humans and animals
-  Environmentally friendly
-  Eliminates odours and scale at the source
-  Regular use avoids the recurrence of odours and stains
-  Long lasting descaling and deodorising

What does it remove?

- ✓ Watermarks
- ✓ Limescale
- ✓ Urine stains
- ✓ Organic deposits
- ✓ Soap scum

Where can I use it?

-  Sinks, toilets, urinals, showers and baths
-  Floors and tiles
-  Glass
-  Pipework, fixtures and fittings
-  DO NOT use on marble and granite

How do I use ABS' Surface Descaler?

Rinse out the spray bottle

Fill the bottle with cold water leaving a 1-inch gap at the top

Insert the soluble sachet, ensuring hands are dry

Replace the spray trigger and shake for 30 seconds

Apply to surfaces
