

Goodbye Graffiti

Graffiti Remover for external hard surfaces

Description

GOODBYE GRAFFITI is used for the removal of graffiti from brickwork and other hard surfaces. Not to be used on rubber, carpet or any other surfaces which may be softened by solvents.

GOODBYE GRAFFITI is used specifically for the removal of graffiti from most external surfaces including brickwork (painted and unpainted), concrete, steel and timber surfaces. Due to the quick action of GOODBYE GRAFFITI, graffiti on painted surfaces can be removed effectively without causing undue damage to the paint.

Features and Benefits

- For use on external hard surfaces
- Low odour, mild citrus fragrance
- Fast Acting, removes graffiti in 2-3 minutes
- Requires high pressure water rinse

Goodbye Graffiti

Graffiti Remover for external hard surfaces

Directions for use

1. Apply GOODBYE GRAFFITI onto defaced area and work well into surface with a stiff brush.
2. Leave for a maximum of 2-3 minutes only.
3. Immediately flush away area with high pressure water. Longer contact times may damage surfaces.
4. Repeat if necessary.
