

# Dispenser display unit

✓ plastic free wipes

## description

Our Cleanlife Dispenser Display Unit is designed to conveniently and hygienically hold Antibacterial Refill Wipes. Built to accommodate our generous 1,000-wipe rolls, this sleek and durable unit keeps wipes easily accessible while maintaining a neat and professional appearance in any environment. Paired with our alcohol-free wipes, it's the perfect solution for promoting cleanliness and reducing waste in high-traffic areas such as gyms, offices, healthcare facilities, and retail spaces. Easy to load and use, the dispenser ensures a smooth pull every time.
