

D1 plus

Hand Dishwashing liquid concentrated

Description

Suma® Star Plus D1 plus is a highly concentrated hand dishwashing liquid for cleaning pots, pans, china, glass and all washable utensils.

Features

Suma® Star Plus D1 plus is a highly concentrated neutral liquid detergent suitable for manual cleaning of all kitchen utensils. The product is an optimal blend of anionic and nonionic surfactants, which cuts through grease and dried-on food and makes rinsing easy and streak free.

For dispensing accuracy Suma® Star Plus D1 plus should be used via the Divermite plus dispenser from Diversey.

Benefits

- Reduces waste, needs less storage capacity and gives excellent economy in use due to the highly concentrated formulation.
- Controlled dosing via Divermite dispenser ensures consistency and maximum economy.
- Compact, off the floor system will not take up valuable floor or bench space.
- Cuts through grease and dried-on food.
- Streak-free, easy rinsing for a superior finish.
- Stable lather means long lasting efficiency of cleaning.

Application areas

- Hospitality
- Lodging
- Healthcare
- Food Service

D1 plus

Hand Dishwashing liquid concentrated

Directions for use

1. Use at a concentration of 15ml per 40L of hand hot water.
2. Soak items that are to be cleaned and wash with a cloth, brush or scouring pad.
3. Rinse product contacting surfaces with potable water after use.
4. Allow to air dry.

For heavily soiled items, a higher concentration may be required.

Technical data

Appearance	Clear yellow liquid	pH (neat)	7.0
Relative density (20°C)	1.02	Dilution	15ml/40L

The above data is typical of normal production and should not be taken as a specification.

Product	Pack size	SKU Code	Availability
Suma® Star Plus D1 plus	4 x 1.5L	7523004	AU & NZ

Safe handling and storage information

Full guidance on the handling and disposal of this product is provided in a separate Safety Data Sheet. Store in original container. Avoid extremes of temperature and humidity.

Product compatibility

Under recommended conditions of use, Suma® Star Plus D1 plus is suitable for use on all materials commonly encountered in the kitchen.

Safety Reminder

Please make sure your employees read and understand the product label and Safety Data Sheet before using this product. The label contains directions for use, and both the label and SDS contain hazard warnings, precautionary statements and first aid procedures. SDSs are available online at www.diversey.com or by calling Toll free: Australia, 1800 647 779 or New Zealand, 0800 803 615.
