

Room Care R5 - Plus

Air Freshener - Concentrate

Description

Air freshener concentrate formulated with Odour Neutralising Technology (ONT) to chemically neutralise and eliminate malodour. For use with the Diversey Divermite dispenser.

Features

- Formulated with ONT.
- Freshens and deodorises.
- Pleasant, fresh fragrance.

Benefits

- Contains ONT to chemically neutralise and eliminate malodour.
- Effective against tobacco, mould, mildew, urine, vomit and kitchen malodours (food and garbage).
- Leaves rooms smelling fresh and clean.
- Concentrated formula provides economy in use and reduces packaging waste.
- Colour and alphanumeric codes to prevent application error.

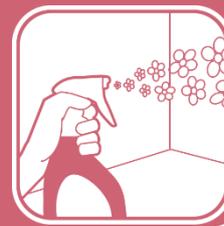

Application areas

- Lodging
- Office Buildings
- Education
- Healthcare
- Retail

Room Care R5 - Plus

Air Freshener - Concentrate

Directions for use

1. Use Room Care R5-plus only through the Divermite dispenser
2. Remove trigger from the R5 spray bottle and fill with clean water to the level indicated on the bottle (300ml)
3. Dispense two doses of Room Care R5-Plus into the bottle. Replace trigger and shake gently to mix
4. To deodorise, spray Room Care R5-plus into air. Small rooms: Spray once or twice upwards into the centre of the room. Large rooms: Spray proportionately more upwards into the centre of the room
