

Multi Conc

D2 conc

All purpose cleaner

Description

Suma® Multi Conc D2 conc is an ultra concentrated detergent for cleaning of hard surfaces in food premises, including floors, walls, doors, ceilings and general equipment.

Features

- Suma® Multi Conc D2 conc is a highly concentrated all purpose detergent suitable for manual cleaning of all surfaces in the kitchen. It is an optimal blend of anionic and nonionic surfactants and alkali, which makes it effective for removal of grease and dried-on food. The sequestrant in the formulation makes it suitable for all water conditions while improving the cleaning performance.
- For dosing accuracy Suma® Multi Conc D2 conc should be dosed either via the Diversey Divermite dispenser or Divermite Refill dosing system.

Benefits

- Reduces waste, needs less storage space and gives excellent economy in use due to the highly concentrated formulation.
- Cuts through grease and dried-on food.
- Effective in all water conditions.
- Multi purpose for use on most surfaces, except polished aluminium.
- Convenient and controlled dosing through the Diversey Divermite system saves money.

Application areas

- Hospitality
- Lodging
- Healthcare
- Food Service

All purpose cleaner

Directions for use

Use only through the Divermite dispenser. Rinse product contacting surfaces with potable water after use.

General cleaning method:

1. Apply solution to surface or equipment with spray bottle, cloth or brush.
2. Scrub to remove stubborn deposits.
3. Rinse thoroughly with clean water and allow to dry.

Floor cleaning:

1. Apply solution with mop.
2. Remove dirt with the mop.
3. Rinse with clean water and allow to air dry

For heavily soiled items, a higher concentration may be required.

In New Zealand: MPI Approved C32 (All animal product except dairy). Passed AsureQuality assessment for food/beverage/dairy factory food contact surfaces h2179 with conditions.
