- Contains plant based ingredients from renewable sources
- 100% biodegradable and decomposed by natural processes
- No environmental hazard classifications, no safety warnings for product in use

Benefits

- Very effective against a wide range of micro-organisms, helps to improve hygiene security
- Bactericidal activity
- Convenient and controlled dosing through the dispenser
- Reduced environmental impact

Application areas

- Food Service
- Retail
- Education
- Government
- Healthcare
- Institutional Facilities

SURE Cleaner Disinfectant

Use instructions

SURE Cleaner Disinfectant is supplied in flexible 2L pouches designed to fit into the Diversey Divermite and J-FILLQuattro Select™ dispensing system.

Preparation of Solution:

Divermite: BOTTLE FILL – Fill the 750ml spray bottle with water and add 1 dose of SURE Cleaner Disinfectant.
BUCKET FILL - Fill a bucket with 3L of water and add 2 doses of SURE cleaner disinfectant.

J-FILL™: Insert cartridge into dispenser. See dispenser instructions for proper cartridge placement.

For cleaning and disinfecting/sanitising surfaces:

1. Remove debris before applying product. Pre-clean heavily soiled surfaces with prepared solution
2. Apply the prepared solution and clean with a cloth, brush or mop.
3. Leave for 30 seconds then wipe the surface.
4. Rinse food contact surfaces thoroughly with clean water and allow to air dry.

Hard surface disinfectant only. Do not mix with detergents or other chemicals. Discard diluted solution after use. Store below 30°C.
