

# TASKI Tapi Deo Mini Guide

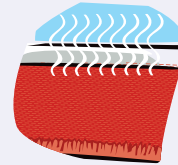

Air freshener for vacuum cleaners:

Perfume granules that go in the vacuum cleaner bag to eliminate malodours and leave a long lasting fragrance to freshen the room.

Check SDS for detailed information

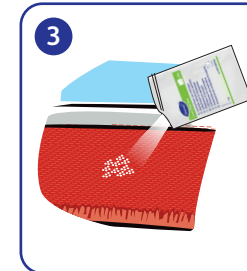

## Using...

1 Place a new bag in the vacuum cleaner.

2 Tear off at the notch of one Tapi Deo sachet.

3 Tip the Tapi Deo granules directly onto the carpet/floor.

4 Vacuum up the granules and continue to vacuum the carpet/floor.

5 Repeat procedure every time you change the vacuum bag.
